

REMARKS

The above listed claims along with the following remarks are fully responsive to the Notice of Non-Complaint Amendment (37 CFR 1.121) issued on June 15, 2007. Claims 2-4, 6, 8-10, 15-19, and 21 are pending. It is believed that the remarks below, in addition to the above listed claims, completely address the Examiner's concerns. If the Examiner has any further questions or concerns relating to the pending claims, the Examiner is encouraged to call the undersigned.

The Office Action states that each claim has not been provided with the proper status identifier and that claim 23 improperly depended from a cancelled claim. Applicant submits that in the previous Reply dated March 21, 2007, claim 23 depended from canceled claim 22. By this Reply, claim 23 has been cancelled.

CONCLUSION

The Applicant believes that all pending claims are now in condition for allowance. A notice to that effect is respectfully requested.

Respectfully Submitted,

FAEGRE & BENSON LLP
